Munich is regarded as one of the nicest and most charming cities. The Bavarian capital is the smallest room an incredible diversity and fascination. This contributes addition to a variety of cultural highlights the typical Bavarian way of life. We begin with a traditional city tour, where the main attractions of the city can learn.

Afterwards, you have five hours where they divide their time freely. For shopping, Munich offers many shopping opportunities. Almost too much so that they accurately advise our drivers and the most popular and most beautiful shopping miles on Munich, where they then necessarily a stopover in Hofbräuhaus should appeal because it is world-famous for its originality, and only in Bavaria to find.

But most interesting is Munich from Sep 22 to 7 October. At this time each year, the largest folk festival in the world held. With many roller coasters for the younger generations, and beer tents for the adults, it is a unique experience. Forget it is not a traditional "dirndl" or "leather pants" attract.
