Salzwelten - LUCK UP!

"Gluck auf" is the traditional Miners welcome your multilingual guide will use to welcome you. After getting a miners Overall, to protect your "civil" Clothes, you will ride on a minig train into the mountain. You will learn a lot about the history of that mine which is linked to the history of State and City of Salzburg (Saltcastle).

You will hear about the rising of a small medieval village to the rich and wealthy City, possible only due to the "white Gold" of Durrnberg Mountain. You will travel through time when walking in very old parts of the mine dating back to 1500, or sliding down deep under the surface. The guide tour will take more than an hour and will leave an unforgettable memory. The ideal tour for bad weather conditions.
