Castle Neuschwanstein

A miraculous trip offers the visit of the king's Castle Neuschwanstein and Hohenschwangau. The Castle is a centre of attraction annual for several thousand of people from the whole world. Not only Regisseur find here their inspiration, also Walt Disney has copied the fairy tales Castle. In often copied, but never achieved elegance the fairy tales Castle of the king Ludwig II of Bavaria shines about Hohenschwangau.

Architecture and interior equipment do the romantic Historismus and eclecticism of the 19-th century on the point. Hence, it is also called "fairy tales Castle". Both Castle are in immediate nearness and can be visited during one day easily. After the Castle inspection the visit of the small town to feet is worthwhile. From here we continue trip to Munich, in the capital of Bavaria. (Ee Munich-s excursion)
